# ABOUT ROSS & ROSS EVENTS

Our catering service has grown organically since opening in 2011, largely thanks to word-of-mouth recommendations from our lovely clients.

We pride ourselves on our impeccably sourced, deliciously seasonal food, and team of passionate and experienced people. We create bespoke menus tailored to you, your preferences, and your budget.

Whether it's a relaxed sharing-board supper, a five-course feast, or our brilliant festival-style BBQ, everything centres around three things: quality produce, professional service, and making your day personal.

The price next to the main courses on the Plated and Sharing Board menus denotes the price for three courses, including all table settings and staffing required. The BBQ menu includes two courses.

The example costings are based on 100 guests but can be scaled to your number of guests.

Kindly note that VAT is not included.

# ROSS & ROSS PLANNING PROCESS

Hello! Thank you so much for thinking of us to cater your special event. We hope you enjoy looking through this brochure and that it provides delicious inspiration for your celebration.

The following is a step-by-step guide to help you better understand each step of your planning journey.

- 1.** Our team will schedule a call to go through the vision for your event and answer any questions you might have. Based on your initial ideas and preferences, we will provide a no-obligation quote, tailored to your requirements and budget.
- 2.** In order to secure a date with us, we require a non-refundable booking deposit of 20 per cent of the initial quote and our catering contract to be signed online.
- 3.** At a stage that's convenient for you, we will schedule a tasting session. These are held at our HQ in Chipping Norton and take place at lunchtimes on Tuesdays and Wednesdays in our tasting room, which can seat up to six guests.

Tastings are a wonderful opportunity for you to fine tune your menu and talk to one of our dedicated event managers about the running of your event. Please see page 38 for our tasting session packages.

- 4.** 60 days before your event we require final numbers, dietary requirements and menu choices.

Your final invoice is generated 45 days before your event. We require full payment to be received in advance of any event.

A table plan is required at least 30 days before the event, with guests' menu choices and anything important clearly noted.

- 5.** Once finalised, it's time to enjoy the efforts of your planning and hand over to our team to ensure your event is fabulous and exactly how you envisioned it.

Please remember we're here to help, so don't hesitate to get in touch at any point with any questions.

# TESTIMONIALS

*“My oh my, did you guys nail it! What a time that was at Cornwell Manor. Mrs Miller and I are simply overwhelmed with gratitude. From chefs' pizzas to that banana-leaf wrapped salmon to the 10 hour slow braised blade of beef - EVERYTHING - tasted spectacular.*

*Food is a common love language. Thank you for sharing your talents, time, and energy with us and our guests. It was a truly jubilant wedding weekend that we'll never forget.”*

***Emmy & Milam - Cornwell Manor***

*"From initial enquiry through tastings and to the wedding itself working with the team was one of the highlights of our wedding planning. The team were all really accommodating of all our ideas and also super knowledgeable with great ideas that really helped take the stress out of the planning!*

*The food was incredible, we have had nothing but compliments on the menu and delivery of the food from all our guests. We have recommended you to everyone and cant wait to be invited to a wedding where you are the team so we can experience it all again!"*

***Mr & Mrs Monk - Ragley Hall***

*"We just wanted to drop you a message and thanks for an unbelievable effort you and the team did! Literally from start to finish the day was absolutely flawless thanks to you. We're still not sure how you guys pulled off such a meticulous job especially given the heat that day! I don't think words can explain how grateful we are and how amazing it was. I had lost count of the amount of people that came up to us and said the food was out of this world.*

*Obviously we want to give you a massive thanks for coordinating the day – it was like clockwork. Even little things like sorting out the music for the band for Sarah – going ‘above and beyond’ is an understatement!*

*All your team worked so hard in the heat – a lot of people mentioned how great your team were. Thanks again for such a fantastic day.”*
